Subject: Any need for legal disclaimers?

Malcolm Pirnie is revising the CSM for release to the PRPs (one of the items in their list of needs appended to the AOC). Is there any need to put a legal disclaimer on the pages of the document? Obviously, our standard disclaimer (see below) no longer applies. I was just going to have them put "DRAFT" and a date.

Subject to Attorney Client, Work Product, Deliberative Process and/or Joint Prosecution Privileges;
FOIA/OPRA Exempt
